President's Report

Hi Everyone,

Wow, the year is really flying by, and once again it is AGM time on the 18th of this month. We would love to see you there!

The year has been an interesting and sometimes disrupted one, but I'm confident that next year will be wonderful for our little town of Cardwell.

We can look forward to the reconstruction work being completed and the wonderful celebrations of Cardwell's 150th anniversary, as well as our 4th Cardwell Art Prize!

The new website is up and running and it is fantastic. Take the time to have a look through it, and let us know what you think.

Once again, we are indebted to our hardworking volunteers for keeping the gallery open!

As a uni student, I can't spend as much time at the gallery as I would like, so I am especially grateful. The library lobby exhibitions have also been great - thanks to Kerry.

Now is the time to get creative, as Christmas is approaching!

David has an Exhibition “GIFTS OF CONFLICT” (Surrealist Theme) in the Lobby of the Cardwell Library which was opened on 17 August and ends on 20 September and is available for viewing during Library hours.

GIFTS OF CONFLICT (Surrealist theme)

Conflict in the artist's mind has been a driving force for me over almost my whole career as a painter, whether it is subject matter or the actual layout of the image.

One of the interpretations of the surrealist movement is that it is a depiction of dreams. Dreams conflict with reality because we have no control over them. People find my work disturbing because of this conflict.

The viewer is almost dragged through a painting discovering that there is little rest or calm on the journey. This is a reflection on the modern society where the demographics of life are becoming more disruptive — Eg: Information Technology, Faster Travel and greater expectations in the career fields.

I still find it hard to interpret my work to the viewer because each of them relates to imagery in our own individual way.

President's report received 2/10/2012

The last year has been a very interesting and educational experience. I've enjoyed being a part of the HRA committee and have learnt a lot.

The gallery has gone through a big change in the past year, with the new Point of Sale system, and everything that it entails. It hasn't been a small job to get it up and running, and most of the credit for that goes to Judy for her tireless work in completing the inventory and sorting out all the inevitable glitches. We also had our 3rd Biennial Cardwell Art Prize in June, and once again it went extremely well.

I want to thank everyone for the opportunity to be president. Thank you to Jane for her diligent work as Secretary and roster clerk, and thank you to Judy for her indispensable efforts as Treasurer and also with the POS system. Thanks to Lee for continuing to do the RAG. Thanks to Daryl and Geoff for all their hard work. I'm looking forward to the next year, and I hope everyone continues to grow creatively and enjoy the process.
